29 Years of Experience

druge@flco.com

“At Flaherty & Collins, I strive to provide the best education, skill and development training to our site and corporate staff to ensure they can meet their own professional goals along with the needs of their owners.”

PROFESSIONAL EXPERIENCE

Prior to Flaherty & Collins, Darryl worked 12 years in property management, with positions ranging from leasing consultant to property manager, with companies including Boston Financial Property Management, Lend Lease and Capriet.

PERSONAL

Darryl enjoys living in downtown Indianapolis, walks his dog, likes to cook and going to musical theatre, as well as traveling with family and friends.

RESPONSIBILITIES

Darryl oversees the setup of unit data from newly acquired property management contracts into the Web based software programs, OneSite or Yardi, depending on the needs and preference of the client. He then trains the site staff to use the software programs they need in order to manage their day-to-day business activity. After training, Darryl provides support utilizing the IT Helpdesk.
