

## TONY WILLIAMS

Project Manager

9 Years of Experience

[twilliams@flco.com](mailto:twilliams@flco.com)

*“In following the company’s motto of “One Team, One Dream,” I strive to improve the working relationships of the full project team, including Owners, Construction Team, Subcontractors, and Property Management in order to deliver a safe and successful project for all parties involved.”*

### RESPONSIBILITIES

Tony is responsible for the construction project from start to finish. This includes working with Design, Development, and Preconstruction teams to finalize plans. In addition, he works with the Construction Team and Subcontractors during buyout and construction kickoff. Tony also collaborates with Ownership and the Field Team to maintain jobsite safety, project schedule, and budget, and partners with Property Management to hand over a successful apartment project ready for lease-up.

### EDUCATION

B.S. – Building Construction Management  
Purdue University – West Lafayette, IN

### ACCREDITATIONS

30-Hour OSHA Certification  
CPR & First Aide Certified  
Procore Certified

### PERSONAL

Tony enjoys spending his free time with his wife, Rachel. Together they enjoy hiking, kayaking, lake and beach trips, and about anything else outdoors.

### PROFESSIONAL EXPERIENCE

Tony has spent more than three years hands-on in the construction field before transitioning to an office-based role and has been involved in the construction of over 1,000 apartment units and over \$100M in apartment projects.
